Weekly Budget Update:

Received to date:\$934,880

Expenses to date:\$920,987

As you can see we are "right side up" on receipts vs. expenses. However we have many large expenses to pay before we end 2016. We need continued faithful contributions to meet our ministry obligations. Please give all that you can so we can finish the year strong. Last year we received \$164,670 in December. As of December 15th, 2016 we have received \$50,119 for the month. If we can match or exceed last year's giving, we will begin 2017 on a solid financial footing.
